7) It is seen from the Survey Records that this S.No.124 of Sreerampur Village (Mysore Taluk) is an unassessed kharab land measuring 2 acres and 26 guntas. The present proposal, made by the Deputy Commissioner and supported by the Muzrai Commissioner, is to grant 2 acres thereof, in exchange for the Temple Kaval Inam land (belonging to the Sri Chamundeswari Temple on the Chamundi Hills, Mysore) acquired for the village extension, and by adjustment of the compensation award amount (Rs.34-8-0) in deposit, and to treat this grant as Inam to the Temple, in lieu of that lost Inam.

8) The estimated value of this proposed exchange land is put down at Rs.35-8-0 (including malki value). The villagers have no objection to the proposed grant. The Palace authorities are, it is seen, agreeable to pay the

January 104-46-1.

SIR,

Grant of exchange land as inam to Sri Chamundeswari Temple - Mysore.

I have the honor to state that S.No. 159 measuring 0-16 guntas dry and assessed at 0-8-0 of Gakadevanapura, Mysore Taluq, which was a "Kaval" inam land belonging to Sri Chamundeswari Temple on the Chamundi hills, was acquired for village extension and a compensation of Rs. 34-8-0 was awarded.

2) The Deputy Commissioner, Mysore District, agreeing with the Palace authorities and the local officers recommended sanction to the grant of exchange land, in lieu of compensation, measuring 6 acres (dry) out of Gomal S. No.181 of Sri Ramapura Village, Mysore Taluq.

3) The then Superintendent of Land Records, Survey and Inam Settlements in his letter No.3925 dated 25th January 1941 (copy enclosed) stated that he had no objection to this proposal of the Deputy Commissioner, but that as the assessment on 6 acres of land proposed to be granted in exchange was more than the assessment on 0-16 guntas of land acquired, the difference of 0-8-0 should be levied as Jodi on the exchange land.

4) The Deputy Commissioner who was consulted, reports that the Palace authorities have now selected another land namely 2 acres out of S. No.124 of Sri Ramapura, Mysore Taluq, in place of 6 acres out of S.No.181 previously proposed. The villagers have no objection to the grant of 2 acres in S. No.124 as inam to the Temple after-

after reserving an extent of 0-25 guntas for the thope. The total value of 2 acres including the Value of Malki thereon is Rs.35-8-0 and the award amount available at the credit of the Temple is Rs.34-8-0,

The Palace authorities are agreeable to pay the difference of Re. 1/- between the value of the land selected and the compensation amount in deposit, and also the difference between the assessment on the land acquired and that on the land selected as Jodi to Government

The District Excise Officer, Mysore, also states that the land selected may be given out for cultivation.

5) In these circumstances, the Deputy Commissioner recommends Sanction to the grant of 2 acres of land in S.No.124 of Sri Rampura village, Mysore Taluc, in exchange for the land acquired, and to treat the same as inam to the Temple.

6) I request that Sanction of Government may kindly be obtained to the recommendation of the Deputy Commissioner.

With reference to your letter No.C.781/39-40 dated 5th December 1939 forwarding the file of correspondence ending with the Mysore District Deputy Commissioner's letter No.4807/38-39 dated 29th October 1939 re: the grant of separate lands to the Sri Chamundeswari Temple on the Chamundi Hill at Mysore in lieu of Re-Survey No.159 (Original S.No.169) of Sakadevanpura originally held by the said institution for Kaval service but since acquired for the village extension as per Government Order No. L.454-55/V.P.13-55-255 dated 15th July 1936 and requesting my opinion in the matter, I have the honor to state there is no objection to the proposal of the Deputy Commissioner to grant 6 acres of land out of gomal S.No.181 of Sri Rampura Village, Mysore Taluk, and to treat the same as Kaval Service Inam.

2. With regard to his proposal to subject the exchange land to the payment of cessess only, I would point out that the assessment of 6 acres of land proposed to be granted in exchange will be much more than (eight annas) the assessment of 0-16 guntas of land acquired. The difference will therefore, have to be levied as Jodi on the exchange land as per Rule XVII of the Revised Rules under the Land Acquisition Act.

3. The records received with your letter are returned.

Re: Grant of exchange Inamland to Sri Chamundeswari Temple, Mysore Taluk.

---

I have the honor to state that S.No.159 measuring 16 guntas dry and assessed at 8 annas of Sakadevanpura village, Mysore Taluk, which was a 'Kaval' Inam land belonging to Sri Chamundeswari Temple on the Chamundi Hills was acquired for village extension and a cash compensation of Rs.34-8-0 was awarded therefor.

The Kavalgar Chamappa has selected and applied for the grant of exchange Inam land in lieu of cash compensation. He has selected 6 acres of dry land out of S.No.181 of Sri Rampura village, Mysore Taluk. This is a gomal land and the villagers have no objection to the proposal. The value of the land is stated to be Rs.5/- per acre. It is, therefore, proposed to grant 6 acres of land in this S.No. as 'Kaval' Inam to the temple and to adjust the cash compensation towards its price. The value of 6 acres of land at Rs. 5/- per acre together with cesses amounts to Rs.33-4-3.

Sri Chamundeswari Temple is a Palace Huzrai Institution and the Huzur Secretary who was consulted in the matter is agreeable to the propo-sal.

I request you, therefore, to kindly obtain sanction of Government to grant the land in question as 'Kaval' Inam to the Temple subject to the payment of cesses on the assessment leviable.

The entire file of records is enclosed for reference and return when done with.

Subject:- Grant of exchange lands as Inam to Sri Chamundeswari temple, Mysore.

---

With reference to correspondance ending with your letter No. C. 781/39-40 dated 12th May 1943 and subsequent reminder dated September 1944 requesting to intimate whether the Palace authorities would be willing to pay the difference between the old and the new assessment in the shape of jodi on the land proposed to be granted in exchange, I have the honour to state that it is now reported that the Palace authorities have selected two acres of land available in S.No.124 of Sri Ramapura village in view of 0 acres and 36 guntas in S.No.181 of the same village, previously selected.

The villagers do not seem to have any objection to the grant of two acres of land now selected in S.No. 124 as inam to the Sri Chamundeswari temple after reserving an extent of 25 guntas for the Thope. The malki standing on the land is valued at Rs.5-8-0. The value of the land is estimated at Rs.15/-. The total value of the land including the value of the malki thereon would be Rs.35-8-0. The award amount available at the credit of the temple is Rs. 34-8-0 and this amount is in Revenue Deposit No. 34 d. 31-12-36 in the Mysore Taluk Treasury.

The local Officers recommend the grant of land in S.No.124 of Sri Ramapura village as inam to the temple.

In these circumstances I request you to be so good as to accord sanction to the above proposal.

The connected file of papers ending with the Mysore Sub-Division Officer's report No.R3-274/37-38 dated 16th July 1943 is enclosed for reference and return.

As regards the querry whether the land proposed to be granted in exchange is included under Date Reserve list etc., the District Excise Officer is of opinion that the land in question may be appropriated and thrown open for cultivation.
